This year Miss Linda and Miss Mari-Ann are making preparations for a fun-filled Summer Program at Montessori of Plainfield. Children will experience a fun, safe and developmentally appropriate summer program! They will be guided through their day using Montessori materials and philosophy to explore new and interesting activities.

Our summer program allows children who are currently enrolled in our school, and children considering enrollment to attend three days a week during the months of July and August. This is an excellent opportunity for new students to get acclimated with our environment before joining us in the Fall. Our current students will benefit by keeping up with all the skills they have worked so hard to achieve this year. **Sessions will be offered from 9am - 12pm as follows:**

### Session I

#### **July 6-22 - Tues/Wed/Thursdays - Adventures and Discoveries of the Human Body**

Head, shoulders, knees, and toes and all the other parts in between will be investigated during our first session.

Children have a natural fascination with their own bodies which leads to lots of questions. Just to name a few questions we will tackle this session... Why do I sneeze? Why do I have an innie and you have an outtie? How many bones do I have? The children will learn what's on the inside and what functions those parts serve. We will trace and identify our own body parts, discuss the five senses and how they work together with the brain, and much more.

### Session II

#### **August 3-19 - Tues/Wed/Thursdays - One Fish, Two Fish!**

Come along, come with me,  
Take a dive in the deep blue sea.  
Put on your gear, let's explore  
All the way to the ocean floor!

This session the class will identify and learn about the fascinating ocean life. Through books, crafts, and hands on activities, your child will come home with many ocean facts and stories.

Tuition: \$250 per session (*non refundable*)

Registration Fee: \$35.00 (*non refundable one time fee*)
